

NORTHGATE LINK EXTENSION

Roosevelt Station

MAY 2014

Northgate Link Extension

The Northgate Link Extension is a key part of the regional mass transit system approved by voters in 2008.

This 4.3-mile light rail extension will provide a fast, reliable option for getting through one of the region's most congested traffic areas. The Northgate Link Extension includes stations at Northgate, the Roosevelt neighborhood and the University District.

The extension will open in 2021.

Roosevelt Station

Roosevelt Station will be located just west of 12th Avenue Northeast across from Roosevelt High School, with entrances at Northeast 65th and Northeast 67th streets. Trains will be boarded underground. The Roosevelt Station will serve the surrounding neighborhoods and the Roosevelt business district, including Roosevelt Square.

From the Roosevelt Station you can ride south to the airport in about 45 minutes or north to Northgate in about two minutes. Passengers can also connect to buses on Northeast 65th Street, 12th Avenue Northeast and Roosevelt Way Northeast. By the year 2030, approximately 8,000 people a day are expected to board light rail at Roosevelt Station.

Key features

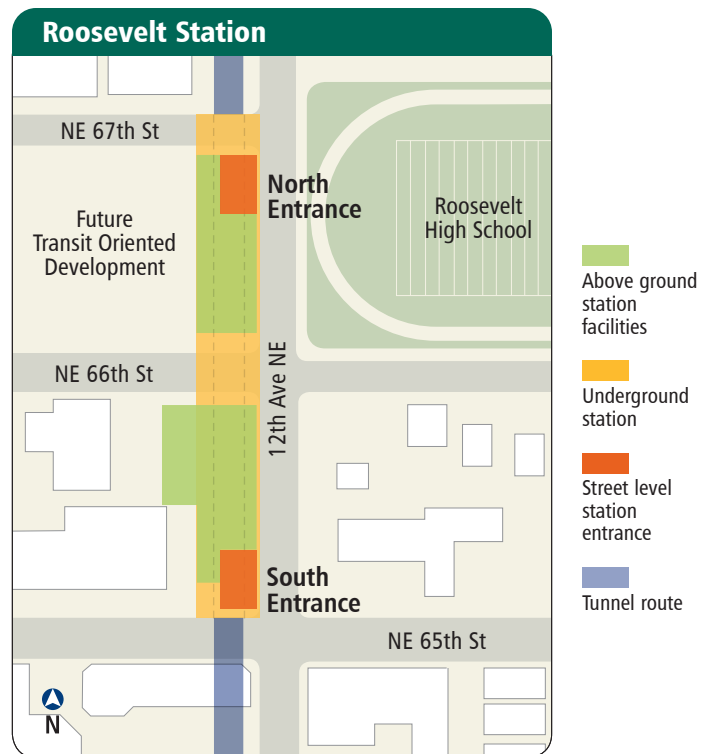

- The station platform will be approximately 80 feet below ground
- Two entrances with elevators, escalators and stairs at each entrance
- Pedestrian plazas and seating
- Ticket vending machines
- Bicycle storage

- Emergency ventilation structures
- Public art

Sound Transit publicly presented the 60 percent level of station design in April 2012. The 90 percent design will be completed and presented to the public in early 2015.

The 90 percent design will include details about:

- Station architectural features
- Pedestrian and bus connections
- Redevelopment opportunities next to station
- Public art

continued on back

Travel times

Typical travel times from Roosevelt Station using light rail:

- To Downtown Seattle: 12 minutes
- To Sea-Tac Airport: 45 minutes
- To Northgate: 2 minutes

Construction

Construction of the Northgate Link Extension began in fall 2012.

Roosevelt Station Construction Schedule

Demolition & environmental clean-up (complete)	Late 2012 - Early 2013
Site prep and station excavation (underway)	Late 2013 - Early 2015
Tunneling (Roosevelt Station to University of Washington Station)	Early 2015 - Late 2017
Station construction	Mid 2017 - Late 2019
Systems installation/testing	Mid 2019 - Late 2020
Light rail service begins	Late 2021

Schedule is subject to change

For more information

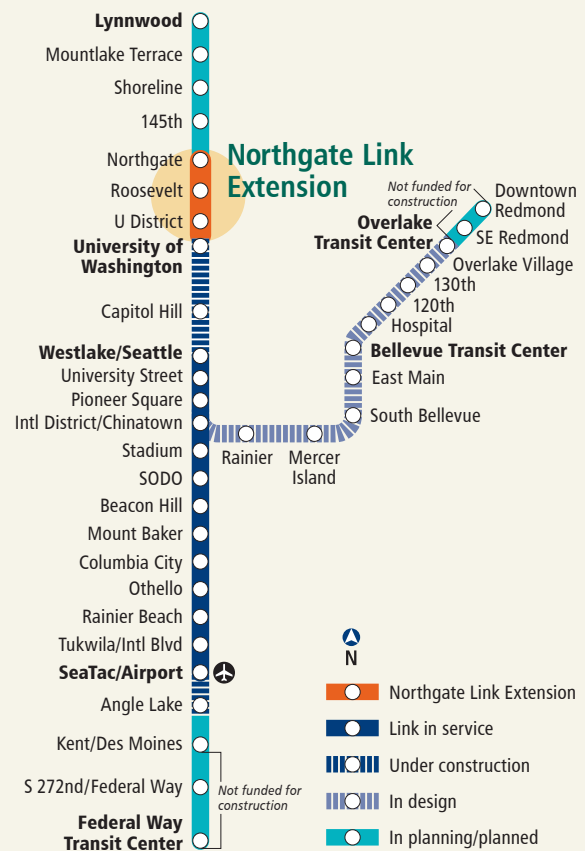

Sound Transit hosts public meetings where you can hear the latest on design and construction issues and give us your thoughts. Sound Transit will continue to keep the public informed and address any issues that may arise.

To request a briefing for your organization or for more information call 206-398-5300 or email northlink@soundtransit.org. To receive project update emails, subscribe online at soundtransit.org/subscribe. You can also visit Sound Transit's website at soundtransit.org/northlink.

Link Light Rail System

In 2008, voters approved the Sound Transit 2 Plan, which includes 36 miles of additional light rail to form a 55-mile regional Link light rail system. Link will expand the current system from Seattle north into Snohomish County, across Lake Washington into east King County and south of Sea-Tac International Airport.
